

ATLANTIC GRAND HOTEL BREMEN

WINE MENU

"Of all things known to mortals wine is the most powerful and effectual for exciting and inflaming the passions of mankind, being common fuel to them all."

-Ernest Hemingway

With this in mind, the ATLANTIC Grand Hotel Bremen is pleased to present you our extensive wine list. In our exclusive private cellar and the ATLANTIC Wine World, we offer an exquisite selection of fine wines ranging from contemporary classics for everyday enjoyment, to famous wine producers and classic vintages for special occasions.

Die ATLANTIC Hotels Wine World

Our specialist team of in-house experts has designed the ATLANTIC Wine World. The ATLANTIC Wine World, which is offered in all ATLANTIC hotels, combines a range of exquisite wines from around the world which can be enjoyed either with a meal or on their own.

These are indicated on the list by the  symbol.

The rarity wines from our cellar are integrated in this wine list. We offer rare and exclusive vintages from some of the best wine producers from all over the world.

We believe that wine by the glass is just as important as offering wine in bottles. Therefore, we are proud to offer exclusive wines from our cellar by using the Coravin system. Greg Lambrecht's patented Coravin system uses argon gas and allows to serve these rare wines by the glass in high quality.

Whether you would like a glass or a bottle, please contact our staff, if you need any assistance or advice during your stay with us.
